Aug 27, 16:01	We are currently updating the Open Design website; therefore, the site will be offline for a few hours. You can find out about the website changes on our GitHub repo via issues labelled "website". <a href="http://ow.ly/mB8H50VlJ9O">http://ow.ly/mB8H50VlJ9O</a> #MakeDesignOpen	0	0	0	1
Aug 23, 08:00	A Short Guide To Open Source Licenses. Many developers and designers want to release their work into the world as open-source projects. They want others to be able to build on and share their code. The open-source community is vibrant because of this. Open-source software is available for virtually any application you could think of. Most designer...	1	0	0	0
Aug 22, 09:45	Simple, a health tracking and reporting app for healthcare workers and patients. An amazing #opensource project with contributions from #clinicians, #designers, #developers, and #technologists. <a href="https://www.simple.org/about/">https://www.simple.org/about/</a> #opensourcehighlight #FOSS	0	0	0	0
Aug 21, 14:00	A few principles for Open Source Design we have highlighted: OSD embraces human centred design and a multidisciplinary framework OSD amplifies attitudes, methods, tools that are geared towards collaboration instead of competition, as well as a learning-based approach OSD encourages inclusion, low participation thresholds, and peer...	0	0	0	0

Aug 06, 14:55	What is Open Source Design? When you think "Open Source", do you immediately think of "developers". We don't necessarily consider other people, such as designers, who are contributing to creating useful and usable software. #MakeDesignOpen <a href="https://opendesign.usahidi.com/design-should-be-open-for-all/">https://opendesign.usahidi.com/design-should-be-open-for-all/</a>	0	0	2	0
